

**AMENDMENTS TO THE DRAWINGS**

Attached hereto are three sheets of annotated drawings showing proposed amendments to the Figures. The annotated sheets incorporate the following proposed changes:

- Figure 7 has been modified to read "SW ON" from "SW OFF" to enhance consistency with the specification. See e.g., *Specification, page 10, lines 10-11.*
- Figure 9 has been modified to read "SW OFF" from "SW ON" to enhance consistency with the specification. See e.g., *page 20, lines 4-6.*
- Figure 11 has been modified to change the label "20" to "120". See e.g., *page 21, lines 2-4.*

Applicant respectfully requests that the proposed drawing changes be accepted.
